

## Our Store is Full of Christmas Suggestions

The real Christmas shopping commences now, and it finds us ready with stocks of Christmas merchandise of more generous proportions than ever before. Nothing seems to have been left undone but the selling, and that is going on with the usual enthusiasm. If you haven't started it's time to begin now, as there remain only 16 shopping days before the great gift-giving event.

Presents should be selected with thought and care—thought as to the right thing to give and care as to quality. This house has always done its part in supplying the latest and best of everything it carries, and in this season's Christmas offerings you will find nothing but merchandise of merit—the sort that will be appreciated. We hope you will visit every section of the store, if for nothing more than sight-seeing.

## Advice to Women A Message From a Famous Beauty Specialist to Women Lacking in Energy and Vitality

Thousands of women vainly attempt to improve their complexions and to remove blackheads, crows' feet and other blemishes through the use of cosmetics. This treatment fails because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system which finds its expression in sallow, muddy complexion, dark-circled eyes, general weakness of the system, and perhaps most plainly in the weeping of mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Mme. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Mucic-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Mucic-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Mucic-Tone, they will praise as I do its strengthening and healing qualities.

Rexall Mucic-Tone works through the blood, acting thus upon the mucous cells—the congestion and inflammation of which causes local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. I know that Rexall Mucic-Tone does relieve catarrh. I positively guarantee to refund the money paid me for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexions. Price 50 cents and \$1 per bottle. Mail orders filled. It may be obtained only at my store—The Rexall Store. Thos. J. Cheno-weth.

## DARK DAYS and LIGHT NIGHTS!

The "melancholy days" may be here, but, thanks to modern illumination, they are more than offset by the joyous nights. Darkness now is only a setting which brings out more strongly by contrast the glories of light. If the day gets too gloomy, we turn a switch or pull a cord and instantly our office, home or store becomes as brilliant as June sunshine. . . . .

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this Bluing daily with perfect satisfaction. You will like it. One ten-cent powder, put into a quart of clear fresh water, will make you as much excellent Bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
